

Exciting Patch Opportunities!

Earn a patch while attending Carnegie Science Center's
National Engineers Week celebration

Saturday, February 18, 2012

An \$8.00 fee includes admission to more than 40 engineering exhibits featuring presentations, demonstrations and hands on engineering activities as well as admission to Carnegie Science Center.

For an additional fee of \$2.00
earn a patch by attending
the Society of Women Engineers'
presentation,
"Women Engineering the Future," at
11:00 am or 1:00 pm.
Patch is included.

For an additional fee of \$2.00
Cadette and Senior scouts can earn
the Girl Scout
"Build a Better Future" patch.
Scouts will fulfill requirements of
the patch by visiting the
engineers' tables and volunteering
for one hour at one of the tables.
The Build a Better Patch
is included.
