

Approved Vendors

Each year, troops around the council visit local and regional amusement parks, stables or take advantage of other high adventure pursuits offered by companies. Or they might charter a bus for a travel opportunity. To ensure the safety of our members, sites and facilities must provide a Certificate of Liability Insurance as evidence that they carry the required liability coverage.

Some facilities and campgrounds also require a safety check with the facility manager. For this reason, advanced notice is required for new sites to be approved.

Girl Scouts are not permitted to use high-risk sites or facilities that do not have a valid Certificate of Liability Insurance on file with Girl Scouts of Black Diamond Council.

If you are taking your troop or group on a trip, please check this list to be sure that the destination is a covered facility and/or that the bus line is also covered. If you wish to use a facility not on this list, please call Joe Whittington at 304-345-7722 ext. 1037 to see if they meet the necessary specifications.
