Daily Rates: Based on a 24-hour billing cycle. The weekly rate will be calculated at 5 times the daily rate; for rentals of twenty-four through thirty-one consecutive days, the rate will be a monthly rate calculated at 4.333 times the weekly rate.

Mileage Charges: Rentals in the U.S. include free miles as set forth above. Any additional miles will be charged at the rate set forth above.

Youthful Driver Surcharge: Enterprise agrees to waive the youthful driver surcharge for Eligible Renters who are twenty-one (21) to twenty-four (24) years old renting for Business Use pursuant to the Agreement.

Inspection: Customer agrees to require its Eligible Renters to perform daily visual inspections on rental vehicles including but not limited to the inspection of headlights, running lights, brake lights, and turn signals, the identification and notation of damages and the checking and maintenance of all fluid levels and manufacturer recommended tire pressure. In the event a vehicle's ABS light is illuminated, the hub oil, if applicable, must be immediately checked. In order to obtain an accurate reading of the hub oil level, the vehicle must be on level ground with the wheels pointed straight. If, at any time, including during a daily inspection, it is determined that the hub oil is below the minimum level as indicated on the hubcap window or there appears to be a leak, Eligible Renter may not drive the vehicle and must have it towed to a repair shop designated by EAN or Affiliate.

Maintenance: Upon three (3) days' prior notification from EAN or an Affiliate, Customer agrees to make themselves and each vehicle available for the purposes of inspection and/or maintenance every thirty (30) days. An Affiliate or a contractor of Affiliate will perform preventative maintenance and warranty repairs, at Affiliate's expense. If preventative maintenance and/or repairs are required at a location other than Customer's offices, EAN or Affiliate will provide a replacement truck at no additional charge.
