**HONOR PIN**

**GUIDELINES**

**Honor Pin**

The Honor pin is a green enamel pin with a goldtone trefoil design circled by a laurel wreath. It is worn on the right side of the uniform above the personalized identification pin.

**The Requirements**

1. The candidate is a registered Girl Scout adult volunteer.
2. The candidate has provided outstanding service to two or more geographic areas or program delivery audiences.
3. The service goes beyond the expectations of the position.

**Nomination**

An individual or group familiar with the service performed submits an application or NOMINATION that documents the service and its scope and impact to the council’s recognitions committee. Three individuals or groups familiar with the service performed submit letters of ENDORSEMENT to the council’s recognitions committee. ENDORSEMENTS must be from at least two different service units.

**The Approval**

The recognitions task group reviews the application and letters of endorsement and recommends approval or denial to the council board of directors. The council board of directors approves or denies the award and notifies the adult recognitions task group and nominating group or individual.

Who makes a good Honor pin candidate?

- A person who organizes and provides leadership to a successful annual giving campaign that surpasses council financial goals.
- A director of a successful day camp that includes girls and adults from two or more service units or areas.
- A program consultant who implements a series of events and activities that bring girls together from different parts of the council.
- A volunteer who directs a membership outreach task group that results in a significant increase in girl or adult membership in under-represented populations in several areas of the council.
- A trainer whose events for an area of the council receive consistently high ratings resulting in increased participation by adults from several geographic areas.

The NOMINATION and the two ENDORSEMENTS must be submitted as a package to the Charleston Service Center no later than **February 15** to be considered for the current year. Nominations and endorsements may be submitted in writing, on audiotape, on videotape or DVD. The Nomination package may be hand delivered to 210 Hale Street in Charleston, mailed, or faxed.

### **How to Write a Good Nomination or Endorsement**

Writing an endorsement for an adult recognition, whether it is for a service unit award or the Thanks Badge, is a very important responsibility.

Outstanding Leader, Outstanding Volunteer, Short Term Volunteers, Progressive Volunteers are reviewed and approved by the Service Unit Recognitions Committee. Service Unit recognitions require only a nomination form with no endorsements. The Appreciation Pin, Honor Pin, Thanks Badge, Thanks Badge II and the Black Diamond Pin are reviewed by the Girl Scouts of Black Diamond Council Recognitions Committee. Council-level recognitions require a nomination as well as 2-3 endorsements.

Each nomination is considered on its own merit and is not rated against other nominations. The best nominations and endorsements include as much supporting information as possible. When writing a nomination or an endorsement, always include examples of times when the nominee made significant strides toward excellence. Facts and figures always help the review committee see the nominee in the best light. Remember, the review committee only knows the nominee by the information you include in your writing. The more detail you include, the better picture the committee has of the contributions the nominee has made to the organization.

The deadline to submit nominations for Council-level recognitions is **February 15**. Nominations and endorsements are happily accepted by mail or fax---don't forget the appropriate signatures! Audio taped and video taped nominations and endorsements are also acceptable.

In approximately 100 words you can say a lot! A good endorsement might go something like this.....

*Anna joined our service unit 5 years ago. When she took over the Recruiter/Organizer position on the Service Unit Team 3 years ago, our membership was only 125 girls in 5 schools. Now the membership is 440 girls in all 15 schools in our area. More than 75% of the girls consistently return for another year of Girl Scouting. She started a Daisy Girl Scout program in 3 schools where no program was available to the Kindergarten girls. She was instrumental in getting 25 girls to join a Studio2B group that is still growing. The adult membership has grown from only 20 adults in 2003 to more than 86 today.*
