the new Online

The online Volunteer Orientation will be the first close-up view of the Girl Scout organization for all new volunteers. What easier way to acquaint new volunteers with Girl Scouting and the many rewarding opportunities it offers girls and adults, than by taking them on a stimulating, virtual sojourn with GSUSA's new online Volunteer Orientation! The English- and Spanish-language versions will be available this summer.

This engaging online session sets the foundation for:

- **Introductions and Welcome**—provide instructions on how to navigate the orientation
- **About Girl Scouts**—presents Girl Scout Mission, Promise and Law, history, and membership requirements
- **Girl Scout Pathways**—illustrates various ways that members participate
- **Support for Volunteers**—provides resources and support available to volunteers
- **Program**—presents the three keys to leadership: *discover - connect - take action*, and their outcomes, and the three processes: girl-led, learning by doing, cooperative learning
- **Learning Log and Conclusion**—provide places for learners to answer questions and be thanked!
