

DID YOU KNOW...

You can directly transfer a gift of appreciated stock to us? Have your broker give us a call.

The simplest way to make a Legacy Impact gift is to designate a portion of your estate to Girl Scouts of Black Diamond in your will. You can name us to receive life insurance benefits.

Upon designating the Girl Scouts of Black Diamond Council to receive a Legacy Gift, you will become a member of our Juliette Gordon Low Society and receive special invitations and recognition at Girl Scouts of Black Diamond and national Girl Scout events.

YOUR LEGACY

We have a history of supporting girls. We have a community for supporting girls.

Together, we can create a legacy for supporting girls. The Juliette Gordon Low Society is the tool we have created to ensure that we can build future generations of girls of courage, confidence and character, who make the world a better place.

There are numerous ways to plan a gift for the future. Immediate gifts of cash, appreciated stock or property can build our current endowment.

Later gifts, such as beneficiary designation in a retirement account or life insurance policy, charitable bequest of a percentage of your estate or a specific dollar amount, provide a way to make a large and lasting impact.

Other tools, such as a charitable gift annuity, provide income for a named beneficiary for a lifetime with the remainder going to Girl Scouts of Black Diamond Council.

What do you wish you could give to future generations for Girl Scouts?

Making a Legacy gift to Girl Scouts of Black Diamond is simple, rewarding and incredibly impactful. We encourage you to discuss options and the impact they would have on your estate and personal situation with a financial advisor. We thank you for your loyal support of our mission and of our girls!
