Providing the Adventure of a Lifetime...

Nestled in the mountains of West Virginia, #GIRLFest2025 invites youth from across the nation to ACE Adventure Resort in Oak Hill, WV to participate in a week of Girl Scout fun. Designed to offer Girl Scouts an opportunity to discover and develop both physical and intellectual skills, 2025's camp is set to be our most ambitious adventure yet! Not only will we provide high-adventure outdoor activities – like zip lining, canoeing and whitewater rafting – but we are also offering badge earning opportunities, as well as new activities that support each of our Girl Scout Program Pillars: Outdoors, STEM, Life Skills and Entrepreneurship.

As we prepare for #GIRLFest2025, we at Girl Scouts of Black Diamond Council are seeking community partners to ensure we have the resources to be a first-rate experience for *all* Girl Scouts, and to make sure that *every* girl is offered the opportunity to participate, regardless of her ability to pay. Your support is the safety net our members can rely upon to help them discover and learn in ways that would otherwise not be possible.

This year, we anticipate over 500 campers, in grades 4-12, and over 200 adult volunteers and chaperones. Not only will your support resonate during camp, but also after as Girl Scouts and volunteers return home.

2025 Partnership Opportunities

We at Girl Scouts of Black Diamond Council invite your organization to join us in welcoming both youth and adult Girl Scout members from across the nation! Don't miss your chance to join in the action as our Girl Scouts explore the beauty and wonder of ACE Adventure Resort in Oak Hill.

Browse the available opportunities below.
