Troop Leader - Girls lead the project with the guidance of the troop leader

Team Members - Can be part of a troop, a small group of girls or an iGirl

Process:

- Watch Bronze Award video or complete the self-study booklet.
- Build your Girl Scout team.
- Explore your community.
- Girls generate a project idea by identifying issues that they personally care about within their community.
- Make a plan.
- Put your plan in motion.
- Spread the word.
- Complete Bronze Award Report form (each girl must complete).
- Leader reviews and submits completed forms and pin purchase form.

Recommended Hours

- 20 hours (if completed as a group, remember to have each member track her specific hours)

Sustainability

- The project makes an improvement within the Girl Scout or local community.
